

Come for the Fun, Stay for the Education

Music Classes

Babies, Toddlers, and Preschoolers

(all separate classes)

Come join a dynamic music class that combines language learning, basic music skills, and dancing. Musikgarten enables you, as the parent, to participate with your child in a small group class. The curriculum relies on the endless energy of the children, and develops important communication, memory, and dexterity skills. The joy of the class is connecting with your child as they develop in a musical environment!

Set the foundation of musical enjoyment for a lifetime.

Beginning this fall, 30-45 minute weekly class
